Meeting Agenda - 3

Date/Location: 29-July-2019 at 1:00 pm in STUDY HALL

Information Updates/Reminders
==============================
* Within the next week we are going to finish Login, Account create, Home page.

* Everyone will start coding in android studio.

Decisions Needed
=================
* Dividing tasks among group members.

General Items
=============
* Need to create individual Firebase account.

* Need to create EasyMed project in Firebase console and add the json file in the main code.

* Make decision which member performs which task.

* We will select a group member, who will be assigned to create boards according to tasks and assign name for that task in trello board.

* We will select a group member, who will be assigned to create channel for each task and invite team members.
